NATIONAL SCIENCE DAY (NSD) - 2019 CELEBRATIONS, GHS MORTHAD

6 March 2019

On 28-2-2019, National Science Day was celebrated grandly in GHS MORTHAD, Nizamabad district, in association with Telangana Academy of Sciences (TAS), Hyderabad. Several activities were conducted as a part of NSD in which children participated enthusiastically and won prizes.

In this celebrations Head Master of the school P. Balachandram, Science Teacher T. Srinivas and other important persons namely Mr. Shankar, Mrs. Rajini, Mrs. Sireesha played vital role in organising and conducting the events and activities.

Several interesting activities were conducted in the school premises as a part of NSD. Firstly, the children were told about the importance of the day and the reason for celebration. Later, children came forward to talk about their favourite scientists and their contributions. Three best speakers(children) were given prizes.

Later Essay Writing competition was conducted and many students participated out of which three best essays were awarded. The whole day was very joyfully celebrated in school and students participated with lot of enthusiasm in several competitions. Refreshments were provided to the students to keep them entertained and keep the spirit of enthusiasm in them.

After this, Science Exhibition was held in school, where students from different classes exhibited their projects in different fields of Science. The exhibition was full of innovative projects that students show-cased with lot of energy. Five best presentations of this Exhibition were given prizes.

Later part of the day, Food Fest was also held in the school, students actively participated in all the competitions with lot of fun and joy. Not only school children but people from outside the school came to see the celebrations.

Thus, the whole day was spent very amusingly by the students. There were several other activities also which kept the students entertained with the essence of Science and learning.
